## A Timeless Look

Enjoy the look of a classic profile at a value-focused price point with RadianceRail Express. This look, reminiscent of traditional RadianceRail, offers fewer installation steps and is available in three color options with composite balusters.

- Priced competitively with most vinyl systems
- Available in 6' or 8' sections in 36" or 42" rail heights
- Sturdy, solid feel that resembles painted wood
- Offers ease of installation with exposed hardware and routed baluster holes
- 4"x4" post sleeves in 39" and 96" heights (post caps and post skirts sold separately)
- Customize your top rails, bottom rails, balusters, and post sleeves with easy mix and match color options
- Hardware is included in all rail packs. Gaskets are included in level rail packs. Both also offered separately for shorter sections and replacements
