If three of you have approved, that is all that is required to formally change your assessment for 2003-2004. I will print a copy of this email for your minutes book as a record of the vote.

I will notify the other two boards and get to work Monday on the mail out stuff.

We can try to bring Don up to speed next week after all the documents get approved and distributed to the members. I will have Lee call him and try to summarize the issue.

Thanks for your help.

I did hear back from him and he is okay with this. That is three of us so far. I have not heard from Grace and I wasn't sure if I should send it to Don Anthony because he is new and doesn't know all the facts to this point. I will talk to Lee about Don and see what he thinks. What do you think?
