

**AMENDED AND RESTATED  
RESPONSIBLE GOVERNANCE POLICIES AND PROCEDURES  
FOR  
THE HOMESTEAD AT SNOWMASS, A CONDOMINIUM**

**THESE AMENDED AND RESTATED RESPONSIBLE GOVERNANCE POLICIES FOR THE HOMESTEAD AT SNOWMASS SUPERSEDE AND REPLACE THE POLICIES FOR THE HOMESTEAD AT SNOWMASS PREVIOUSLY ADOPTED BY THE EXECUTIVE BOARD OF THE ASSOCIATION.**

These Responsible Governance Policies (the “Policies”) for The Homestead at Snowmass, a condominium (the “Project”) are adopted by the Board of Managers of the Homestead at Snowmass Association, a Colorado non-profit corporation (the “Association”) pursuant to Article V, Section 3.b. of the Bylaws of the Association. These Policies have been carefully formulated in an attempt to be fair and equitable to all Owners of property within the Project (the “Owners”), and except as otherwise expressly provided, these Policies shall apply to all Owners and to all family members, guests, invitees, tenants, employees, customers, contractors and agents of such Owners (collectively, the “Occupants”). Any capitalized term not defined herein shall have the meaning assigned to it in the Declaration, Articles or Bylaws. In the event of a conflict between the Declaration, the Articles, the Bylaws of the Association and these Policies, the Declaration, Articles, Bylaws, and Policies will govern and control in that order.

In compliance with and as required by the Colorado Common Interest Ownership Act, Section §38.33.3-101 *et seq.*, of the Colorado Revised Statutes (the “Act”) the Association hereby adopts the following policies and procedures with respect to certain aspects of its governance of the Project.

A. Collections Policy and Procedures. In compliance with the Act and the Declaration, the Board of Managers hereby adopts the following uniform and systematic procedure regarding collection of assessments and other charges.

1. Due Dates, Late Charges, Interest, and Suspension of Rights.

a. Due Dates. The regular assessments and any special or default assessments are due and payable 30 days after notice of the amount is sent. Payments shall be deemed received and shall be posted on the date the payment is received by the Association or in the Association’s payment processor’s office. Any installment not paid in full within 30 days of the due date (60 days after the date the assessment was issued) shall be considered past due and delinquent.

b. Late Charge. A late charge in the amount of 10% of the amount due shall be imposed for any assessment, fine or other charge not paid within 30 days of the due date without further notice to the Owner. Such late charge is a personal obligation of the Owner and a lien on the Unit.

c. Interest. Interest at the rate of 8% per annum shall accrue on any delinquent assessment, fine or other charge from the due date without further notice to the Owner. Interest will be added to the Owner’s account beginning 30 days following the due date. Such interest is a personal obligation of the Owner and a lien on the Unit.

d. Suspension of Rights. An Owner's right to vote shall be automatically suspended if an assessment or other charge is not paid within 30 days of the due date.

2. Returned Check Charges.

a. If any check or other instrument payable to or for the benefit of the Association is not honored by the bank or is returned by the bank for any reason, including, but not limited to insufficient funds, the Owner is liable to the Association for one of the following amounts, at the option of the Association: (i) An amount equal to the face amount of the check, draft, or money order and a return check charge of \$25.00; or (ii) If notice has been sent as provided in C.R.S. § 13-21-109 and the total amount due as set forth in the notice is not paid within 15 days after such notice is given, the person issuing the check, draft or money order shall be liable to the Association for collection for three times the face amount of the check, but not less than \$100.00.

b. Any returned check shall cause an account to be past due if full payment of the periodic assessment or of any other charge is delinquent.

c. If two or more of an Owner's checks are returned unpaid by the bank within any fiscal year, the Association may require that all of the Owner's future payments, for a period of one year, be made by certified check or wire transfer.

3. Attorney Fees. The Association shall be entitled to recover its reasonable attorney fees and collection costs incurred in the collection of assessments or other charges due the Association from a delinquent Owner pursuant to the terms of the Declaration and Colorado law. Attorney fees incurred by the Association shall be considered part of the assessments and shall be due and payable immediately when incurred, upon demand.

4. Application of Payments. All payments received on account of any Owner or the Owner's property, may be applied first to post-judgment attorney's fees, costs and expenses; then to costs and attorney's fees not reduced to a judgment; then to interest; then to late charges; then to returned check charges; then to fines and other amounts levied pursuant to the Declaration; then to delinquent assessments; then to current assessments not reduced to judgment; and finally to amounts reduced to judgment.

5. Delegation of Authority to Sign Notice of Lien. The Board of Managers delegates authority to the Association's attorney to sign and acknowledge the Notice of Assessment Lien. This delegation may be withdrawn at any time. In the event the delegation is withdrawn, the Board will send written notice to the Association's attorney of the withdrawal.

6. Notices: At least thirty (30) days prior to taking any action in relation to a delinquency the Association shall contact the Owner in the same manner described below for a notice of delinquency. The Association shall maintain a record of all contacts with the delinquent Owner including information regarding the type of communication used to contact the Owner and the date and time the contact was made. In the event the Association shall cause a notice of delinquency, collection letter or demand letter to be sent to a delinquent Owner, the Association shall send such notice of delinquency, collection letter or demand letter by certified mail, return receipt requested, and shall physically post a copy of the notice of delinquency, collection letter or demand letter at the

Owner's Unit. Additionally, the Association shall contact the Unit Owner by first class mail, by text message to a cellular number that the Association has on file which was provided by the Owner or by e-mail to an e-mail address that the Association has on file which was provided by the Owner. Any notice of delinquency shall include the following information:

a. The total amount due, with an accounting of how the total was determined;

b. Whether the opportunity to enter into a payment plan exists and instructions for contacting the Association to enter into such a payment plan;

c. The name and contact information for the individual whom the Owner may contact to request a copy of the Owner's ledger;

d. That action is required to cure the delinquency and failure to do so within 30 days may result in the Owner's delinquent account being turned over to a collection agency, a lawsuit being filed against the Owner, the filing and foreclosure of a lien against the Owner's Unit/Property, which could result in the sale of the unit at auction and the Owner losing some or all of the Owner's equity in the unit, or other remedies available under Colorado law;

e. The method by which payments may be applied on the delinquent account of the owner;

f. That the Owner may request a copy of the Association's ledger verifying the amount owed, and, if requested, such ledger shall be sent within seven (7) business days of such request;

g. That Owner may access free online information through the HOA Information and Resource Center relating to the collection of assessments by an HOA and the availability of online information from the Federal Department of Housing and Urban Development concerning credit counseling before foreclosure that may be accessed through a link on the Colorado Department of Local Affairs website and information on what credit counseling may entail for the Owner and that counseling services could include: (i) discussion of amounts owed to the Association in unpaid assessments and related costs; (ii) the impact of foreclosure on the Owner's credit; (iii) additional debt that may be incurred by the Owner if foreclosure by the Association is completed; (iv) options available to the Owner to retain title to the unit or to remain in the unit; and (v) any other options that may be available to the Owner to avoid foreclosure -- <https://dre.colorado.gov/hoa-center>; and

h. The legal remedies available to the association to collect on the owner's delinquent account pursuant to the governing documents and Colorado law.

7. Referral of Delinquent Accounts to Attorneys. Prior to referral of a delinquent account to the Association's attorney and except as provided in the Act, the Association shall first send the delinquent Owner notice of delinquency offering the delinquent owner a one-time

opportunity to enter into an 18-month payment plan. The payment plan shall permit the delinquent owner to pay off the deficiency in monthly payments over a period of at least eighteen months in monthly installments in an amount determined by the Owner provided that payments shall be at least \$25.00 per month. There shall be no foreclosure of the Association's lien for past-due assessments unless a delinquent Owner declines to enter a repayment plan or after accepting a repayment plan has failed to pay at least three of the monthly installments within 15 days after the monthly installments were due. In order to refer a delinquent account to the Association's attorney, a majority of the Board of Managers must vote to do so. Upon referral of a delinquent account to the Association's attorneys, the attorneys shall take appropriate action to collect the accounts referred. After an account has been referred to the Association's attorney, the account shall remain with the attorney until the account is settled, has a zero balance or is written off. The Association's attorney is authorized to take whatever action is necessary, in consultation with the President of the Board of Managers or other person designated by the Board, believed to be in the best interest of the Association, including, but not limited to:

a. Filing a lien against the delinquent Owner's property to provide record notice of the Association's claim against the property, if not already filed;

b. Filing suit against the delinquent Owner for a money judgment. The purpose of obtaining a personal judgment against the Owner is to allow the Association to pursue remedies such as garnishment of the Owner's wages or bank account to collect judgment amounts;

c. Instituting a judicial action of foreclosure on the Association's lien. The Association shall not pursue foreclosure against the Owner based on fines owed or liens associated therewith. The Association may choose to foreclose on its lien in lieu of or in addition to suing an Owner for a money judgment. The purpose of foreclosing is to obtain payment of all assessments owing in situations where either a money judgment lawsuit has been or is likely to be unsuccessful or in other circumstances that may favor such action. At least thirty (30) days prior to instituting a judicial action of foreclosure, the Association shall first provide the Owner with a notice of intent to foreclosure in the manner set forth in Section A.7. above. The notice of intent to foreclose shall inform the Owner that: (i) the Association intends to file a lawsuit against the Owner's unit and that, if the court forecloses on the lien, the Court will order the sale of the unit at auction to pay the delinquent assessments due to the Association; (ii) based on the sale price of the unit at auction, the Owner could lose some or all of the Owner's equity in the unit; (iii) the Owner has a right to participate in credit counseling prior to foreclosure; (iv) the Owner has a right to participate in mediation with the Association prior to foreclosure; and (v) the Owner has access to and instructions on how to access free online information through the HOA Information and Resources Center relating to foreclosure by an Association via <https://dre.colorado.gov/hoa-center>. Within five (5) business days after initiating legal action to foreclose, the Association shall provide written and electronic notice to all lienholders identified in the Owner property records of (a) the right to cure the nonpayment; and (b) the right of the Owner to file a motion to stay the sale of the property at auction pursuant to Section 38-38-109.5;

d. Filing necessary claims, documents, and motions in Bankruptcy Court to protect the Association's claim; and

e. Filing a court action seeking appointment of a receiver. A receiver is a disinterested person, appointed by the court, who manages rental of the Owner's property, and collects the rents according to the court's order. The purpose of a receivership for the Association is to obtain payment of current assessments, reduce past due assessments, and prevent waste and deterioration of the property. All payment plans involving accounts referred to an attorney for collection shall be set up and monitored through the attorney. Upon referral of any matter to the Association's attorney, the Association shall pay the Association's attorneys their usual and customary charges as well as any costs incurred by the attorney on the Association's behalf, promptly upon receipt of the monthly invoice from the attorney.

8. Notification to and Communication with Owners. This Collection Policy shall be made available to all Owners by the Association as required by Colorado law. After a delinquent account has been referred to the Association's attorney, all communication with the delinquent Owner shall be handled through the Association's attorney. Neither the manager, if any, nor any member of the Board of Managers shall discuss the collection of the account directly with an Owner after it has been turned over to the Association's attorney unless the attorney is present or has consented to the contact. However, the Association has the option and right to continue to evaluate each delinquency on a case by case basis.

9. Certificate of Status of Assessment/Estoppel Letter. On a monthly basis the Association shall send, by first-class mail, and by electronic mail, to each Owner, or such Owner's designee upon written request, who has any outstanding balance owed to the Association an itemized written statement of all assessments, fines, fees, and charges that the Owner owes to the Association.

10. Bankruptcies and Public Trustee Foreclosures. Upon receipt of any notice of a bankruptcy filing by an Owner, or upon receipt of a notice of a foreclosure by any holder of an encumbrance against any Unit within the Association, the Association shall advise the Association's attorney of the same and turn the account over to the Association's attorney.

11. Waivers. The Association may alter the time for the filing of lawsuits and liens, or otherwise modify the procedures contained herein, as the Association shall determine appropriate under the particular circumstances. Any such accommodation shall be documented in the Association's files with the conditions of relief. Failure of the Association to require strict compliance with this Collection Policy shall not be deemed a waiver of the Association's right to require strict compliance and shall not be deemed a defense to payment of assessment fees or other charges, late charges, return check charges, attorney fees and/or costs as described and imposed by this Collection Policy.

B. Policy Regarding Board Member Conflicts of Interest. The Association hereby adopts the following policies and procedures to handle conflicts of interest for members of the Board of Managers (a "Manager").

1. Definitions:

a. "Conflicting interest transaction" means a contract, transaction or other financial relationship between: (A) the Association and a Manager, or (B) between the Association

and a party related to a Manager, or (C) between the Association and an entity in which a Manager of the Association is a member or officer.

b. “Party related to a Manager” means a spouse, a descendent, an ancestor, a sibling, the spouse or descendent of a sibling, an estate or trust in which the Manager or party related to a Manager has a beneficial interest, or an entity in which a party related to a Manager is a member, officer, or has a financial interest.

c. “Officer,” for purposes of this policy only, means any person designated as an Officer of the Association and any person to whom the Board delegates responsibilities, including, without limitation, a managing agent, attorney, or accountant employed by the Board.

2. The Manager shall disclose the conflicting interest in the proposed transaction in an open meeting prior to the discussion and vote. Such disclosure shall be reflected in the minutes of the meeting or other written form.

3. The Manager shall not take part in the discussion and shall leave the room during the discussion and the vote on the matter. Notwithstanding the foregoing, a majority of the disinterested Board members may ask the interested Board member to remain during any portion of the discussion and/or vote, provided that the Manager does not vote.

4. The interested Manager shall count for the purpose of establishing a quorum of the Board for the matter in which there is a conflict.

5. The contract, Board decision or other Board action must be approved by a majority of the disinterested Board members. No contract, Board decision or other Board action in which a Board member has a conflicting interest shall be approved unless it is commercially reasonable to and/or in the best interests of the Association.

6. Notwithstanding anything to the contrary herein, no conflicting interest transaction shall be set aside solely because an interested Manager is present at, participates in or votes at a Board or committee meeting that authorizes, approves or ratifies the conflicting interest transaction if:

a. the material facts as to the Manager’s relationship or interest as to the conflicting interest transaction are disclosed or known to the Board of Managers or the committee, and the Board or committee in good faith authorizes, approves, or ratifies the conflicting interest transaction by the affirmative vote of a majority of the disinterested Managers, even though the disinterested Managers may be less than a quorum; or

b. the material facts as to the Manager’s relationship or interest and as to the conflicting interest transaction are disclosed or known to the Members entitled to vote on the transaction, if any, and the conflicting interest transaction is specifically authorized, approved, or ratified in good faith by a vote of the Members entitled to vote; or

c. the conflicting interest transaction is fair to the Association.

7. No loans shall be made by the Association to its Managers or Officers. Any Manager or Officer who assents to or participates in the making of any such loan shall be liable to the Association for the amount of such loan until the repayment of the loan.

C. Policy Regarding Conduct of Board Meetings and Owner Meetings. The Association hereby adopts the following policy and procedure for Board of Managers and Member meetings.

1. Board Meetings.

a. The Board shall hold at least one meeting every six months.

b. Notice of Board meetings shall be delivered to Board members at least seven days prior to the meeting. If a schedule is set for regular Board meetings, no notice beyond the schedule need be given.

c. All Board meetings shall be open to attendance by Members of the Association, or their representatives, provided that the Board may go into executive session for any purpose allowed by law. Members may be excluded from executive session. Prior to going into executive session, the chair of the meeting shall announce the purpose for the executive session.

d. The Board will post notice of upcoming Board meetings and the agenda on the Association's website, if any. In the event any Unit Owner requests notice by e-mail and provides the Association with a valid e-mail address, notice will be provided to such Owner via e-mail.

e. Meetings may not be audiotaped or videotaped, provided that the Secretary may audiotape the meeting for the purposes of preparing the minutes. Such audiotape shall not be part of the Association's records and may be destroyed once the minutes are prepared.

f. Items shall be discussed pursuant to the meeting agenda, provided that items may be taken out of order if deemed advisable by a majority of Board Members present. Items not on the agenda may be discussed once all other items have been concluded, time permitting.

g. Any Manager may make a motion. All motions shall be recorded in the minutes. Motions must be seconded to be discussed and voted upon. The minutes shall record the number of votes in favor, votes against, and abstentions. If any Manager requests his/her vote in favor or against or his/her abstention be recorded in the minutes, the minutes shall so reflect.

h. Board meetings are not required to be held in accordance with *Robert's Rules of Order*.

2. Annual Meetings/Special Member Meetings.

a. Notice of a Membership meeting shall be hand delivered or mailed to each Member at least 10 days prior to the meeting. Notice shall also be posted on the website, if any.

If a Member requests notice by e-mail only and provides an e-mail address, notice will be provided by e-mail.

b. Each Member will sign in prior to the meeting for himself/herself and for any proxies he/she holds. Voting rights of delinquent Members are suspended and such Members shall not be given a ballots. If an election or vote is to be held, the Member will be given the appropriate number of ballots.

i. Secret ballots are required for the following: any ballot for election of a contested position on the Board of Managers; and any ballot for other matters if so requested by at least 20% of the Members present in person or by proxy at the meeting.

ii. If secret balloting is not required, the Association may indicate the number of proxies held on the ballot itself.

c. The President, or other person directed by the Board, will call the meeting to order and conduct the meeting.

d. Meetings may not be audiotaped or videotaped, provided that the Secretary may audiotape the meeting for the purposes of preparing the minutes. Such audiotape shall not be part of the Association's records and may be destroyed once the minutes are prepared.

e. Each Member who wishes to speak will be given a reasonable time to speak, provided the chair may impose reasonable time limits to facilitate Member participation. Members may not speak a second time until everyone who wishes to speak has been given an opportunity to speak once. Members may not speak more than twice on any one topic, subject to the chair's discretion.

f. Members must maintain decorum and refrain from addressing the Membership or Board until recognized by the chair. Upon being recognized, the Member must state his/her name and address.

g. Members may not interrupt anyone who validly has the floor, or otherwise disrupt the meeting. Members may not engage in personal attacks on either Board Members or other Members. All comments and questions are to be delivered in a businesslike manner and comments shall be confined to matters germane to the agenda item being discussed. No Member may use abusive, rude, threatening, vulgar or crude language.

h. Members must obey all orders made by the meeting chair, including an order to step down.

i. Any Member who refuses to follow the above rules will be asked to leave the meeting and is subject to a fine per the Association's fine Schedule.

j. Any motions must be seconded prior to discussion and voting. Because the nature of a motion and vote may be outside the Members' authority, the Board reserves the right

to determine whether a motion will be considered binding on the Association or a recommendation for proceeding. Such determination may be made following consultation with legal counsel.

k. Ballots shall be counted by a neutral third party or by a committee of volunteers who shall be Members selected or appointed at an open meeting by the President of the Board or other person presiding during that portion of the meeting. The committee of volunteers shall not be board members and, in case of a contested election for a Board position, shall not be candidates. The results of a vote taken by secret ballot shall be reported without identifying information of Members participating in such vote.

l. Meetings are not required to be held in accordance with *Robert's Rules of Order*.

D. Enforcement of Association Covenants and Rules; and Notice and Hearing Procedures for Disputes Between an Owner and the Association.

1. Dispute Resolution. The Association hereby adopts the following policies and procedures for enforcement of the Association documents and for dispute resolution. Alternative methods of dispute resolution to avoid litigation encouraged by the Board of Managers include negotiation and mediation. The Association encourages Owners or Occupants with disputes between themselves or with the Association to resolve such disputes without court proceedings. The Association will take reasonable steps to facilitate negotiation or mediation between Owners and/or Occupants, but will have no responsibility for any costs incurred by the parties to the dispute resolution process. By engaging in negotiation or mediation the parties are not waiving their right to employ legal counsel at their own expense to assist them or to file any appropriate litigation.

2. Required Dispute Resolution Procedure. Prior to filing a lawsuit against the Association, the Board, or any Officer, Manager, or committee member of the Association, an Owner must request and attend a hearing with the Board of Managers. Any such request shall be in writing and shall be personally delivered to any member of the Board of Managers. The Owner, in such request and at the hearing, must make a good faith effort to explain the grievance to the Board and resolve the dispute in an amicable fashion, and shall give the Board a reasonable opportunity to address the Owner's grievance. Upon receiving a request for a hearing, the Board shall give notice of the date, time and place of the hearing to the person requesting the hearing. The Board shall schedule this hearing for a date not less than 14 or more than 30 days from the date of receipt of the request. If the dispute cannot be resolved, the parties may utilize discretionary mediation procedures, but shall not be required to do so, or may proceed to litigation.

3. Enforcement of Association Requirements. In the event a Unit Owner, guest or tenant shall fail to comply with the requirements of the Declaration, Articles, Bylaws Rules and Regulations or Policies of the Association, or shall fail to comply with the Resolutions, Decisions or Orders of the Board of Managers (collectively "Requirements"), a Unit Owner may be subject to the imposition of penalties as follows:

a. Notice of Violation. In the event a Unit Owner, guest or tenant fails to comply with any of the Requirements of the Association, the Board of Managers or the Managing Agent will provide written notice to the owner of the Unit, and to the tenant if the Unit is subject to a

lease, that a violation has occurred and specifically describe the violation (“Notice”). Such Notice shall be mailed by certified mail, return receipt requested, to the address of the Owner as set forth in the records of the Association or as provided in the records of the Pitkin County Assessor’s office, by electronic mail, and shall be posted on the door of the Unit if the Unit is subject to a lease.

b. Right to Cure. The Owner, and tenant if applicable, will have a period of thirty (30) days from the date the Notice is hand delivered or deposited in the mail to cure the violation of the Requirements. If the Owner cures the violation within the period to cure, the Owner may notify the Association of the cure and, if the Owner sends with the notice visual evidence that the violation has been cured, the violation is deemed cured on the date that the Owner sends the notice. If the Owner’s notice does not include visual evidence that the violation has been cured, the Association shall inspect the Unit as soon as practicable to determine if the violation has been cured. If the Association does not receive notice from the Owner that violation has been cured, the Association shall inspect the Unit within seven (7) days after the expiration of the thirty (30) day cure period to determine if the violation has been cured. If after inspection, the Association determines that the violation was not cured, the Association shall provide owner with another thirty (30) day period to cure. If the Owner fails to cure the violation following the second thirty (30) day cure period, the Association may take legal action in accordance with Section A.7. as set forth herein. Notwithstanding the foregoing, if the Association reasonably determines that the violation threatens the public safety or health, Owner shall have seventy-two (72) hours to cure the violation.

c. Penalties. In the event the Unit Owner fails to cure (or cause the tenant to cure, as applicable) the violation within thirty (30) days, or seventy-two (72) hours in the event of a public safety or health violation, of the date the Notice is given, the Unit Owner will be assessed a penalty in the amount of one hundred dollars (\$100.00) payable to the Association. If the Unit Owner shall fail to cure the violation (or cause the violation to be cured) within thirty (30) days from the date the second Notice is given in accordance with Section D.3.b. as set forth herein, or six (6) days from the original Notice in the event of a public safety or health violation, the Unit/Property Owner shall be assessed an additional penalty in the amount of four hundred dollars (\$400.00) payable to the Association. If the Owner shall fail to cure the violation before the expiration of the second 30-day period, the Association may take legal action against the Owner but shall not foreclose against the Unit based on fines owed.

d. Hearing. An Owner may request a hearing before the Board of Managers for any violation. The Owner must submit such a request in writing to the Board of Managers within seven (7) days of the date the Notice was given. If an Owner requests a hearing before the Board of Managers, the penalty for an uncured violation shall be stayed until seven (7) days after a decision is rendered by the Board of Managers after such hearing. On receipt of a request for a hearing, the Board shall set a date for a hearing and provide the Unit Owner that received the Notice of Violation, as well as all other Members of the Association, notice of the date, time and location of such hearing. The Unit Owner that received the notice of violation and any other Unit Owners shall be entitled to submit any written or other materials to the Board of Managers, either before or at the hearing, and shall be entitled to make an oral presentation at the hearing and to be represented by counsel at the hearing. The hearing shall be before the Board of Managers in an open meeting; provided, however, that no Board member who has a direct personal or financial interest in the outcome of the hearing shall participate in the hearing. The Board of Managers shall base its decision on information and testimony provided by the Owner and any other Member of the

Association and shall by majority vote to determine whether or not there is a violation of the Requirements and, if so, when such violation was cured or what actions are necessary to cure such violation.

e. Collection. Any penalties assessed hereunder shall be an assessment and the Association shall be entitled to collection thereof in the same manner and by the same procedures as provided in the Collection Policy, except that the Association shall not foreclose on an assessment lien if the debt securing the lien consists only of one or both of fines or collection costs including attorney's fees. Further, the Association shall be entitled to injunctive relief in the event the Owner has failed to cure the violation within thirty (30) days of the date the second Notice was given in accordance with Section D.3.b. as set forth herein, or six (6) days from the original Notice in the event of a public safety or health violation.

E. Policy Regarding Examination, Inspection, Copying, and Retention of Association Records. The Association hereby adopts the following revised policies and procedures for records inspection.

a. the request is made in good faith;

b. the request describes with reasonable particularity the records sought;
